

## Overview

CERF encourages the use of standard indicators in project proposals.

### Tips

1. Please use the exact wording in project proposals, including the unique indicator code
2. Some indicators should be used together as a pair (e.g. SN.1a and SN.1b)
3. Agencies can also include custom indicators in project proposals, where relevant

### Agriculture

### Camp coordination / camp management

### Common services (incl. UNHAS, emergency telecommunications)

### Education

### Food security

### Health

### Health: sexual and reproductive

### Nutrition

### Protection

### Protection: child protection

### Protection: gender-based violence

### Protection: house, land and property

### Protection: mine action

### Shelter and non-food items

### Water, sanitation and hygiene (WASH)

### Safety and security

### Accountability to affected populations

### Cash and voucher assistance

### Training / capacity building

## Agriculture

- Ag.1 Number of people receiving agricultural inputs (items/packages/kits)
- Ag.2 Number of animals vaccinated, dewormed and/or treated
- Ag.3 Number of people receiving livestock inputs (animal feed/live animals/kits/packages)
- Ag.4 Number of animals distributed
- Ag.5 Quantity of animal feed distributed in MT
- Ag.6 Number of people receiving training on agricultural skills, practices and/or technologies
- Ag.7 Percentage change in crop yields

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Food security**
- **Training / capacity building**

## Camp coordination / camp management

- CM.1 Number of displacement sites supported with appropriate site management services
- CM.2 Number of displacement sites with inclusive and representative (incl. gender-responsive) governance structures
- CM.3 Number of displacement sites with physical site improvements
- CM.4 Number of people (humanitarian staff and/or camp authorities) receiving training on CCCM
- CM.5 Number of people (target populations) receiving training on CCCM

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Training / capacity building**

## Common services (incl. UNHAS, emergency telecommunications)

- CS.2 Total weight of cargo transported by land, sea or air in MT per project
- CS.4 Total number of passengers transported per project
- CS.5 Percentage of users reported satisfied with services provided
- CS.9 Percentage of service requests that have been completed

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Safety and security**
- **Training / capacity building**

## Education

- Ed.1 Number of children accessing formal or non-formal education
- Ed.2 Number of temporary learning spaces and/or centres established and/or rehabilitated
- Ed.3 Number of people (teachers and/or children) accessing teaching, learning and/or recreational materials
- Ed.4 Number of teachers receiving training on basic pedagogical skills, psycho-social skills and/or life-saving skills

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Training / capacity building**

## Food security

- FN.1a Number of people receiving in-kind food assistance
- FN.1b Quantity of food assistance distributed in MT
- FS.1a Percentage of households relying on neutral livelihoods coping strategies
- FS.1b Percentage of households relying on stress livelihoods coping strategies
- FS.1c Percentage of households relying on crisis livelihoods coping strategies
- FS.1d Percentage of households relying on emergency livelihoods coping strategies
- FS.2 Percentage of households who report being able to meet the basic needs of their households according to their priorities
- FS.3 Average reduced Coping Strategies Index (rCSI)
- FS.4 Percentage of people enabled to meet their basic food needs
- FS.5a Percentage of households with an acceptable food consumption score
- FS.5b Percentage of households with a borderline food consumption score
- FS.5c Percentage of households with a poor food consumption score

- **Agriculture**
- **Cash and voucher assistance**
- **Nutrition**
- **Training / capacity building**

## Health

- H.1a Number of emergency health kits delivered to healthcare facilities
- H.2 Number of people receiving surgical procedures for trauma
- H.4 Number of people vaccinated
- H.5 Percentage of public health alerts generated through community-based and/or health-facility-based surveillance or alert systems investigated within 24 hours
- H.6 Proportion of functional health facilities sharing timely reports
- H.7 Number of functional health facilities supported
- H.8 Number of primary healthcare consultations provided
- H.9 Number of people provided with mental health and/or psycho-social support services
- H.10 Number of people referred to higher level and/or specialized health services
- H.11 Number of people receiving treatment for acute watery diarrhea (incl. cholera)

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Health: sexual and reproductive**
- **Protection: gender-based violence**
- **Training / capacity building**

## Health: sexual and reproductive

- RH.1 Number of births attended by skilled health personnel
- SP.1a Number of menstrual hygiene management kits and/or dignity kits distributed
- SP.1b Number of people receiving menstrual hygiene management kits and/or dignity kits
- SP.2a Number of inter-agency emergency reproductive health kits delivered
- SP.2b Number of people accessing services enabled by inter-agency emergency reproductive health kits

- SP.3 Number of health care providers receiving training on the minimum emergency response package for sexual and reproductive health
- SP.4 Number of people receiving clinical management of rape services

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Health**
- **Training / capacity building**

## Nutrition

- N.1 Number of people receiving blanket supplementary feeding (MAM prevention)
- N.2a Number of people admitted in MAM treatment programme
- N.2b Percentage of people who were admitted for MAM treatment who recovered (MAM recovery rate)
- N.3a Number of people admitted to SAM treatment programme (therapeutic feeding)
- N.3b Percentage of people who were admitted for SAM treatment who recovered (SAM recovery rate)
- N.4 Number of people screened for acute malnutrition
- N.5 Number of people receiving vitamins and/or micronutrient supplements
- N.6 Number of people receiving training and/or community awareness sessions on maternal, infant and young child feeding in emergencies

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Food security**
- **Health**
- **Training / capacity building**

## Protection

- PG.1 Number of human rights and/or protection monitoring missions, analyses and/or reports that inform the humanitarian response
- PP.1a Number of protection referral mechanisms and/or pathways established and regularly updated
- PP.1b Number of people accessing protection referral mechanisms and/or pathways

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Protection: child protection**
- **Protection: gender-based violence**
- **Protection: house, land and property**
- **Protection: mine action**
- **Training / capacity building**

### Protection: child protection

- CP.3 Number of children receiving protection support (e.g. family tracing, reunification, reintegration, case management services, etc)
- CP.4 Number of people accessing protection activities and/or services through child-friendly spaces
- CP.5 Number of child-friendly spaces established and/or rehabilitated

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Protection**
- **Protection: gender-based violence**
- **Training / capacity building**

### Protection: gender-based violence

- PS.1a Number of people accessing women- and girl-friendly safe spaces and/or centres
- PS.1b Number of women- and girl-friendly safe spaces and/or centres constructed, rehabilitated and/or supported
- PS.2 Number of people receiving GBV psycho-social support and/or GBV case management
- SP.5 Number of people receiving GBV and/or SRH medical assistance

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Health: sexual and reproductive**
- **Protection**
- **Protection: child protection**

- **Training / capacity building**

## Protection: house, land and property

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Protection**
- **Training / capacity building**

## Protection: mine action

- PM.2 Number of areas/items cleared of explosive hazards
- PM.3 Number of explosive ordnance survivors receiving legal, health, rehabilitation and psychosocial care, and/or economic support
- PM.4 Number of people receiving training to deliver explosive ordnance risk education

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Protection**
- **Training / capacity building**

## Shelter and non-food items

- SN.1a Number of people receiving in-kind shelter assistance
- SN.1b Number of in-kind shelter kits distributed
- SN.2a Number of people receiving in-kind NFI assistance
- SN.2b Number of in-kind NFI kits distributed
- SN.3 Number of shelters and common shelter structures constructed or rehabilitated
- SN.6 Number of people accessing shelter services
- SN.7 Percentage of households reporting adequate access to household non-food items
- SN.8 Percentage of households whose shelter solutions meet agreed technical and performance standards
- FN.3 Number of people receiving in-kind fuel assistance

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Training / capacity building**
- **Water, sanitation and hygiene (WASH)**

## Water, sanitation and hygiene (WASH)

- WS.6 Number of people accessing sufficient and safe water for drinking, cooking and/or personal hygiene use as per agreed sector standard
- WS.9a Percentage of people who report using a safe, dignified and functional sanitation facility with functional handwashing facility (with soap/cleaning agent and water)
- WS.10 Percentage of people who are directly utilizing functional handwashing facilities
- WS.12 Percentage of people who are utilizing facilities and services to support environmental health as part of WASH programming (e.g. solid waste management and disposal, drainage, vector control activities etc.)
- WS.13 Number of communal sanitation facilities (e.g. latrines) and/or communal bathing facilities constructed or rehabilitated
- WS.14 Number of household sanitation facilities (e.g. latrines) and/or household bathing facilities constructed or rehabilitated
- WS.15 Number of communal water points (e.g. wells, boreholes, water taps stands, systems) constructed and/or rehabilitated
- WS.16a Number of people receiving critical WASH supplies (e.g. WASH/hygiene kits)
- WS.16b Number of WASH/hygiene kits distributed
- WS.17 Number of people receiving WASH/hygiene messaging
- WS.19 Percentage of households that can demonstrate effective treatment of their water to meet the recognized standards for water quality
- WS.20 Percentage of people with improved knowledge that demonstrate safe hygiene practices that have received hygiene promotion and/or distribution of hygiene items/materials

See also

- **Accountability to affected populations**
- **Cash and voucher assistance**
- **Shelter and non-food items**
- **Training / capacity building**

## Safety and security

- CS.6 Number of Security Risk Assessments conducted
- CS.7 Number of security updates and/or reports shared with HCT

See also

- [Accountability to affected populations](#)
- [Cash and voucher assistance](#)
- [Training / capacity building](#)

## Accountability to affected populations

- AP.1b Percentage of affected people who state that they are aware of their rights and entitlements
- AP.2b Percentage of affected people who state that they are aware of feedback and complaints mechanisms established for their use
- AP.3b Percentage of affected people who state that they were consulted on the humanitarian response
- AP.4b Percentage of affected people who state that the assistance, services and/or protection provided correspond with their needs
- AP.5b Percentage of affected people who state that they were able to access humanitarian assistance and services in a safe, accessible, accountable and participatory manner
- AP.6b Percentage of issues identified in feedback processes for which solutions are in process or closed
- AP.7 Number of community-based complaints/feedback mechanisms established

See also

- [Accountability to affected populations](#)
- [Cash and voucher assistance](#)
- [Training / capacity building](#)

## Cash and voucher assistance

- Cash.1a Number of people receiving multi-purpose cash
- Cash.1b Total value of multi-purpose cash distributed in USD
- Cash.2a Number of people receiving sector-specific unconditional cash transfers
- Cash.2b Total value of sector-specific unconditional cash transfers distributed in USD
- Cash.3a Number of people receiving conditional cash transfers
- Cash.3b Total value of conditional cash transfers distributed in USD
- Cash.4a Number of people receiving unconditional vouchers
- Cash.4b Total value of unconditional vouchers distributed in USD
- Cash.5a Number of people receiving conditional vouchers
- Cash.5b Total value of conditional vouchers distributed in USD
- Cash.6 Percentage of women reporting shared decision making on cash transfer use

- Cash.7 Percentage of people (e.g. agro-dealers/retailers/suppliers/traders) who report an increase in goods sales compared to before the cash intervention

See also

- **Accountability to affected populations**
- **Training / capacity building**

## Training / capacity building

- Ag.6 Number of people receiving training on agricultural skills, practices and/or technologies
- CM.4 Number of people (humanitarian staff and/or camp authorities) receiving training on CCCM
- CM.5 Number of people (target populations) receiving training on CCCM
- CC.1 Number of implementing partner staff receiving training to support programme implementation
- CC.3 Number of humanitarian workers (UN staff, implementing partner staff, etc) receiving training on prevention of sexual exploitation and abuse
- Ed.4 Number of teachers receiving training on basic pedagogical skills, psycho-social skills and/or life-saving skills
- N.6 Number of people receiving training and/or community awareness sessions on maternal, infant and young child feeding in emergencies
- PM.4 Number of people receiving training to deliver explosive ordnance risk education
- SP.3 Number of health care providers receiving training on the minimum emergency response package for sexual and reproductive health
