As the crisis enters its sixth year, 13.5 million people are in need of humanitarian assistance in Syria and neighboring countries. 6.3 million people have been internally displaced by violence while 5 million people have fled to Turkey, Lebanon, Egypt, Jordan and Iraq. Since 2011, CERF has allocated over $220 million for displaced people in Syria and the neighboring countries. Most recently, CERF released $9.4 million through its Rapid Response window to provide urgent health care, protection, nutrition and water and sanitation services for refugees in Jordan.
